01. SAGA Analysis

TOPIC	WHAT IS HAPPENING	WHY IT MATTERS
Governance & Administration	Governance-related discussion is largely constructive for Sunetra Pawar. She received supportive attention through government initiatives, including her participation in Invest Maharashtra with CM Devendra Fadnavis.	Positive visibility around government delivery can strengthen Sunetra Pawar's individual public profile and should be reinforced through visible outcomes.
Elections & Political Positioning	This is the largest discussion area , with 47 posts. Conversation includes NCP positioning, political statements and discussion around Sunetra Pawar's role, with 2 posts critical and 2 supportive toward her.	Political positioning is the main area where Sunetra's individual narrative can shift quickly. CMO should watch whether political discussion develops into direct criticism of her.
Agriculture & Farmers	Farmer-related discussion includes welfare and farm-loan issues, with 3 supportive and 1 critical post toward Sunetra Pawar.	This provides an opportunity to build a positive narrative around delivery and farmer-focused government action.
Corruption / Land Issues	The Mundhwa land matter generated direct criticism, including a high-engagement post questioning the handling of the land probe.	This is the clearest negative issue directly associated with Sunetra Pawar and should be monitored for repetition, escalation and unverified claims.
Law & Order	Law & Order generated a smaller volume of discussion, but included direct criticism of Sunetra Pawar and a relatively high share of negative-tone posts.	Even with lower volume, this can become reputationally important if the issue expands or Sunetra is repeatedly linked to the government's response.
Investment & Employment — Positive	Invest Maharashtra generated positive visibility, with Sunetra Pawar appearing alongside the CM in coverage of the state's investment and employment agenda. Governance and Employment & Jobs discussions were supportive toward her.	This is a useful positive narrative for Sunetra Pawar and can be strengthened by highlighting investment, jobs and measurable outcomes.
